

AANAND AMAN

40 Calumet Crescent, Scarborough, ON | +1 (647)-409-9357 | aaman8@myseneca.ca

OBJECTIVE

I am looking for a coop position where I can put my knowledge and talents to use while gaining significant experience in the IT field. I am an ambitious and hardworking person with a good foundation in IT. I have faith in my capacity to pick up new skills fast and adapt to new technologies, and I am dedicated to steadily increasing my technical expertise. I have good communication and problem-solving abilities, which prepares me to work cooperatively with clients and team members to resolve technical issues. As a co-op in the IT industry, I am thrilled about the chance to help a progressive business succeed.

TECHNICAL SKILLS

Programming Language	C, C++
Database Management	Oracle12c, SQL Developer
Design and IDE Tools	MS Visual Studio, Visual Studio Code, MS Office
Operating Systems	Windows, Linux
